## **DOLLARS for SCHOLARS**

The Steilacoom Historical Education Foundation joined the Dollars for Scholars organization in 1995 to gain professional opportunities. Dollars for Scholars is a national network of community based scholarship foundations in over 45 states.

Dollars for Scholars has established agreements with over 33 participating Collegiate Partners. Those institutions of higher learning have agreed not to reduce institutional aid to students receiving scholarships administered by Dollars for Scholars affiliates.

SHEF affiliation with Dollars for Scholars assures that local scholarship money will be used to reduce the amount students have to pay for College.
